## OJT Snippets:

## **Key Learning Outcomes:**

The students gained valuable insights into various aspects of retail management, including:

- Customer engagement and service excellence
- Sales and marketing techniques
- Inventory control and stock management
- Store operations and layout planning
- Visual merchandising and branding strategies
- Handling real-time challenges in a retail environment

## **Conclusion:**

The successful completion of the OJT has significantly contributed to the professional development of the students. The hands-on experience gained during this training will equip them with the skills necessary for future careers in the retail industry. The collaborations with reputed retail brands have not only enhanced their employability but also provided them with networking opportunities.

The department looks forward to further strengthening industry partnerships and ensuring that future batches continue to receive high-quality internships with competitive stipends.
