PRINCIPAL'S MESSAGE

“Education is the manifestation of perfection already in man.”

Swami Vivekananda.

At RKMV Shimla, we take immense pride in nurturing not only academic excellence but also the holistic development of our students. We believe that true learning extends beyond textbooks therefore, our focus remains on shaping confident, responsible individuals through cultural, sports, and community service initiatives that go beyond the campus.

Our college is equipped with sufficient infrastructure, including well-maintained classrooms, modern laboratories, and a rich library, creating an environment conducive to quality education, innovation and experiential learning. Our faculty and staff are dedicated to creating an amicable and inclusive atmosphere where every student feels valued, heard, and supported.

RKMV encourages a participative approach to education, where students are actively involved in academic planning and decision-making also. This empowers them to take charge of their learning journey and prepares them for leadership roles in life. Our efforts are aimed at creating a balanced ecosystem that fosters intellectual curiosity, ethical values, and a spirit of service.

We invite all students to make the most of the opportunities here and contribute meaningfully to society. Together, resonating with our vision, we build not just careers but strong, compassionate individuals who will shape a better world.

Dr. Anurita Saxena

Principal

Rajkiya Kanya Mahavidyalaya

Shimla

OUR VISION

To transform young girls into well integrated individuals through inclusive education, who can face challenges of life with courage and commitment and devote themselves towards nation building with a sense of dedication, duty and respect for humanity.

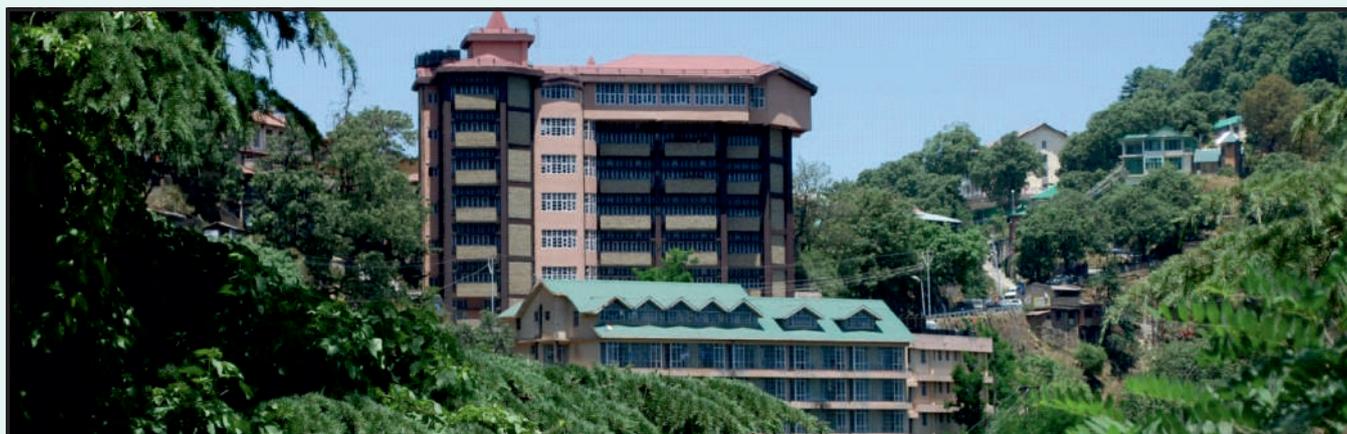

OUR MISSION

The college focuses on the holistic development of girls, motivating and moulding them into world citizens who would illumine the lives that they would touch.

Rajkiya Kanya Mahavidyalaya (RKMV)

A Brief Profile

Rajkiya Kanya Mahavidyalaya, Shimla (RKMV), a historical and premier institute of higher learning, was established when the erstwhile Raja Padam Chand Sanatan Dharm Bhargava Mahavidyalaya was taken over by the state government in 1977. The institute is duly accredited with B+ grade by UGC NAAC in the year 2023. The college is an educational landmark in the state of Himachal Pradesh which primarily aims at higher education of young women and offers undergraduate degree in Arts, Science, Commerce, Computers and Vocational courses.

Adding another feather in the cap, RKMV from the session 2024-25 got the approval of the Government to start Post Graduate classes in M.Com and MA in English, Political Science, Economics, Geography and History.

Since its inception in 1978 with the strength of 919 students, the college has been scaling great heights with student strength rising to more than three thousand. The job oriented self-finance courses especially BCA, B.Sc. (Honours) in Biotechnology and Microbiology, PGDCA, Value added courses are also being offered to the students to keep pace with the growing demands of the globalized world.

The college is well equipped with lecture halls, multi-purpose/seminar hall, auditorium, Science labs, computer labs, language lab, computerized library, common room, gymnasium, dispensary and canteen. Apart from these, hostel facility is provided to tribal students in the Tribal Hostel and for non-tribal students lodging is in the *Sainik* Hostel. Besides sports, the membership of NSS, NCC, Bharat Scouts and Guides, Eco Club, Energy club, Youth Red Cross, Road Safety Club, Red Ribbon Club and Rotaract Club can also be opted for by the students as per their interest to learn teamwork, discipline and a sense of responsibility. The college, with its commendable achievements, presents a series of orchestrated efforts on the academic and co-curricular fronts.

PG Students Shine in First Semester Results

RKMV proudly celebrates the outstanding academic performance of its postgraduate students in the first semester examinations. All students achieved First Division and above, marking a significant achievement in the inaugural year of PG courses in English, Political Science, History, Geography, and Commerce (2024–25). Notably, Nitika (M.Com) secured 1st rank and Reeta Kaushal (Geography) secured 2nd rank in the H.P. University Merit List. These results reflect the students' dedication and the faculty's commitment to academic excellence. Heartfelt congratulations to all achievers!

HPU REGULATIONS for CBCS and Continuous Comprehensive Assessment Grading Pattern (CCAGP) for PG Programmes

These regulations came into force from the academic year 2022-2023.

Programmes Offered:

M. A. (Master of Arts) in: English, Geography, Political Science, History

M. Com (Master of Commerce)

1. Definitions

1.1 COURSE :

Course is a set of instructions pertaining to a pre-determined content (Syllabus), delivery mechanism, and learning objectives. Every course offered may have three components associated with the teaching-learning process of the course, namely:

- a. Lecture – symbolized as L;
- b. Tutorial – symbolized as T; and
- c. Practical – symbolized as P.

A course can have one, two or all the three above-mentioned components. That means that a course may have only lecture component, only tutorial component, only practical component, or a combination of any two or all the three components.

One L stands for one, one-hour lecture session per week; One T stands for one, two-hour tutorial session per week consisting of participatory discussion (between teacher and students or teaching assistant and students) or self-study/desk work/brief seminar presentations etc. by students (these can include such novel methods that make a student absorb and assimilate more effectively the contents delivered in lecture classes); and One P stands for one, two-hour practice (laboratory work)

1.2 CREDIT :

Each course is rated in terms of credits or credit hours. Every one-hour session per week of L amounts to one (1.0) credit per semester. Every two-hour session per week of T or P amounts to one (1.0) credit per semester.

One semester extends over a period of 20 weeks in total out of which 16 weeks are for the teaching-learning process and four (4) weeks are for testing process (i.e. mid-term (Minor) test(s), homework assignments, and End-semester examination (including preparatory period if any).

The total credits earned by a student at the end of the semester upon successfully completing the course will be L+T+P. The credit pattern of the course is indicated as L : T : P.

1.3 TYPES OF COURSES:

Post-Graduate Boards of Studies, in all subjects, shall identify courses under the following three categories (Category three being Optional):-

- (I) Core Courses
- (ii) Elective Courses

(I) Core Courses:

Core Courses comprise a set of Courses identified as compulsory for students registered for PG (Masters') degree in a particular subject. This is the core requirement for a master's degree. The Core Courses may be referred to as DSC Courses.

AEC (Ability Enhancement Course): The Core Courses shall comprise one paper on Ability Enhancement, to be floated in IIIrd Semester and shall comprise 2 or 4 credits, but shall be Non-CGPA.

NOTE:

Core courses of subjects other than the subject of a student's master's degree will be considered as Elective Courses for a student's PG programme.

(ii) Elective Courses:

A Course that can be chosen from a number of options from a student's subject of master's degree or from outside (subjects other than a student's master's subject) is known as an Elective Course. In choosing the course here, student has considerable freedom of choice. He/she does not need to remain confined to his/her subject of master's degree only. These may be very specific or specialized or advanced or supportive to the discipline/subject of a student's master's degree or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures a candidate's proficiency/skill etc. All courses that a candidate takes after completing the core requirements will be considered as elective courses in case of a student's master's programme.

The Elective Courses can be divided into two categories:

- a. Discipline Specific Elective (DSE): It shall comprise the papers in which the students shall have a choice from a set of courses offered by the concerned department.
- b. Open/Generic Elective (GE): It shall comprise courses chosen from an unrelated discipline/subject with an intention to seek exposure.

NOTE:

There shall be two Generic Elective Courses, one each to be introduced in the IIInd and IVth Semesters respectively, of 4 credits each (For MBA, the norms of AICTE shall be applicable).

An Elective Course that is specially designed to acquire special/advanced knowledge (might be for the specialization required for a particular student's programme) as a supplement study/support study to a project work or an elective course for which no teacher is available in the department and so a candidate studies such a course on his/her own (with might be an advisory support by a teacher) is called a Self-Study Elective.

All courses (core as well as elective) offered in the disciplines / subjects other than the subject of a student's master's degree are treated as elective courses for the PG programme of that student.

(iii) Research Courses: There will be some PG courses in each department which will involve doing research. These would include Master's Thesis, Project Work, etc. There will be a prescribed syllabus for the Research Course. However, the contents of these courses will be governed by the directions or decisions of the PG BoS of the concerned programme. These are special courses involving application of knowledge in solving, analyzing, and / or exploring real-life situations or difficult problem.

1.4 COURSE EVALUATION (Evaluation of the Students)

All courses (Core and Elective) involve an evaluation system of students that has the following two components:-

- a. Continuous Comprehensive Assessment (CCA) accounting for 20-40 percent of the final grade that a student gets in a course
- b. End-Semester Examination (ESE) accounting for the remaining 80-60 percent of the final grade that the student gets in a course.

NOTE: The assessment for the courses offered in the Dept of Music shall be in accordance with their curriculum.

(I) Continuous Comprehensive Assessment (CCA): This would have the following components:

(a) Classroom Attendance – Each student will have to attend a minimum of 75% Lectures / Tutorials / Practicals. A student having less than 75% attendance will not be allowed to appear in the End-Semester Examination (ESE).

- Provided that those having between 74% and 65% attendance will apply for exemption in a prescribed form accompanied by clear reason(s) for absence to the authorized functionaries.
- Provided that those having between 64% and 50% attendance will apply for exemption in a prescribed form accompanied by a Medical Certificate from a Government Hospital.
- Provided that exemption from 75% attendance will be given to those participating in prescribed co-curricular activities (e.g. NCC, NSS, Youth Festivals, Sports etc.) to the extent of 25% (making the necessary attendance as 50% in these cases). However, the claim for this exemption should be supported by authenticated certificate from the concerned college / University authorities.
- Provided further that those getting the exemptions, except for those getting exemptions for co-curricular activities, will not be entitled for getting the CCA marks for classroom attendance as given below.

Those having greater than 75% attendance (for those participating in Co-curricular activities, 25% will be added to per cent attendance) will be awarded CCA marks as follows:-

Classroom attendance will be defined as follows:

>75% but <80% = 1 mark.

>80% but <85% = 2 marks

>85% but <90% = 3 marks

>90% but <95% = 4 marks

>95% = 5 marks

NOTE:

If a student is not permitted to appear in the ESE due to shortage of attendance beyond the exemption limit (i.e. < 50% attendance), he / she shall be deemed to have 'dropped' the course. However, such candidate, on his/her written request to be made immediately, can be permitted to redo the missed semester after completing the rest of the programme or whenever the course is offered subsequently. This redoing would mean complete course including CCA and ESE.

(a) Mid-Term (Minor) Tests:

There will be at least one mid-term test to be conducted after the completion of at least 50% syllabus. Evaluated test booklets will be provided to the students (shown in the class) and they can be given photocopies of the same at the cost of photocopying and the administrative effort involved. The amount chargeable will be determined by the college/University administration and can be revised from time to time.

In laboratory courses (having only practical (P) component), the students will be tested on the basis of laboratory exercises given by the course teacher concerned. Rest of the procedure will remain the same as above.

(b) Seminar/Assignment/ Term Paper – The students shall be asked to participate in seminars/prepare assignments/write term paper etc. that the course teacher gives to the students. At least one such seminar/assignment/term paper will have to be done for each course in a semester.

The division of marks for Continuous Comprehensive Assessment (CCA) shall be as under:

a. Attendance 5 marks

b. Mid-term tests The marks for categories “b”

c. Seminar/Assignment/Term Paper and “c” shall be decided by the departments.

(ii) End-Semester Examination (ESE): The 80-60 percent of the final grade of the student in a course will be on the basis of an end-semester examination (ESE) that will be of three hours duration and cover the whole syllabus of the course.

• For the Odd Semesters the ESE will be in the month of October / November and for Even Semesters it will be in the month of April / May.

• A candidate who does not pass the examination (ESE) in any course(s) (or due to some reason is not able to appear in the ESE, other conditions being fulfilled, and so is considered as 'Fail', shall be permitted to appear in such failed course(s) in the subsequent ESE to be held in the following October / November or April / May.

• The registration for the ESE will be done at the time of the enrollment for the course at the beginning of the semester. The fee for the ESE will also be collected tentatively one month prior to the commencement of the examinations.

• If a student is not permitted to appear in the ESE due to shortage of attendance beyond the exemption limit (i.e. < 50% attendance), he / she shall be deemed to have 'dropped' the course. However, such candidate, on his/her written request to be made immediately, can be permitted to redo the missed semester after completing the rest of the programme or whenever the course is offered subsequently. This redoing would mean complete course including CCA and ESE.

To qualify a particular course, the students need to pass in, both, Continuous Comprehensive Assessment (CCA) and End-Semester Examination (ESE), failing which the student shall be considered to have failed in the concerned course and shall have to take the exam for the said course again. In case the student fails the CCA, his form for ESE shall be withheld and a notice put up in the department to the effect. The student, then, shall have to again take a Mid-term (Minor) Test and submit an assignment in the concerned course and pass the same. If the student fails the ESE, he/she shall have to take the concerned end-semester examination again.
