Introduction

The RKMV Need-Based Scholarship for the academic session 2024-25 has been distributed among various departments to provide financial assistance to deserving students. This initiative aims to support students who require financial aid to continue their education. The

following report presents the department-wise distribution of scholarships and the total financial assistance provided.

Objectives

- To provide financial assistance to students from economically weaker backgrounds.
- To encourage academic excellence by reducing financial stress on students.
- To ensure equitable distribution of scholarships among various departments.
- To promote higher education accessibility for deserving students.

Impact

- Increased access to higher education for financially disadvantaged students.
- Reduction in dropout rates due to financial constraints.
- Enhanced academic performance by alleviating financial stress.
- Strengthening of departmental resources through equitable scholarship distribution.

Conclusion

The RKMV Need-Based Scholarship 2024-25 has successfully provided financial aid to students across various departments. The initiative reflects the institution's commitment to supporting students in need. Further improvements in data accuracy and transparency will enhance the effectiveness of this scholarship program in the future.
