The college auditorium, with a seating capacity of 200-250 audience, is a pivotal space that plays a central role in the academic and cultural life of the campus. This versatile venue is designed to host a wide range of events, from academic lectures and seminars to cultural performances and student presentations. Its design and amenities ensure that it serves as a hub for intellectual engagement, artistic expression, and community building.

Design and Features:The auditorium is thoughtfully designed to accommodate between 200 and 300 attendees comfortably. It features tiered seating that provides excellent sightlines and ensures that every seat offers an unobstructed view of the stage or presentation area. The seating arrangement can be reconfigured if necessary, allowing the space to adapt to various event formats, including panel discussions, workshops, and performances.

State-of-the-Art Technology:Equipped with modern audiovisual technology, the auditorium is designed to enhance the overall event experience. The facility includes a high-quality sound system, projection equipment, and large screens or a projector for visual presentations. These technological features ensure that speakers and performers can effectively engage their audience, while clear audio and visual aids support the delivery of content and presentations.

Hostel Facilities at RKMV: Sainik Hostel and Tribal Hostel

The college is proud to offer exceptional residential facilities that cater to the diverse needs of its students. The campus is home to two well-equipped hostels: the Sainik Hostel, which serves the all girl student population, and the Tribal Hostel, which is exclusively dedicated to accommodating tribal girls from various tribal areas of Himachal Pradesh. Together, these hostels provide a safe, comfortable, and supportive living environment for a total of 200 students, fostering a sense of community and inclusivity within the college.

Sainik Hostel:

- Capacity and Accommodation: The Sainik Hostel is designed to accommodate 120 girl students. It provides a welcoming and inclusive environment for students from all backgrounds, ensuring that they have access to a safe and nurturing residential experience.
- Facilities: The hostel is equipped with all essential amenities, including well-furnished rooms, common areas for recreation, study spaces, and 24/7 security. A mess facility is available, providing nutritious meals to the residents. Additional services such as Wi-Fi, and medical assistance are also provided to ensure a comfortable stay.

Tribal Hostel:

- Exclusive for Tribal Girls: The Tribal Hostel is exclusively built to support the education of tribal girls from various tribal areas of Himachal Pradesh. It can accommodate 80 girl students and is designed to address the unique needs of tribal students, offering them a secure and culturally sensitive living environment.
- Facilities: Similar to the Sainik Hostel, the Tribal Hostel offers fully furnished rooms, a dedicated mess providing healthy and culturally appropriate meals, and common areas for relaxation and socialization. The hostel also offers support services such as counseling, academic tutoring, and activities aimed at promoting the cultural heritage of the tribal communities. Additionally, 24/7 security, medical services, and other basic amenities are provided to ensure the well-being of the residents.
- **Solar Panels:** The college is committed to sustainability and environmental responsibility, and this is reflected in our hostel facilities. Both the Sainik Hostel and the Tribal Hostel are equipped with solar panels, reinforcing the college's dedication to green energy solutions and reducing its carbon footprint.
