

3.9. Canteen

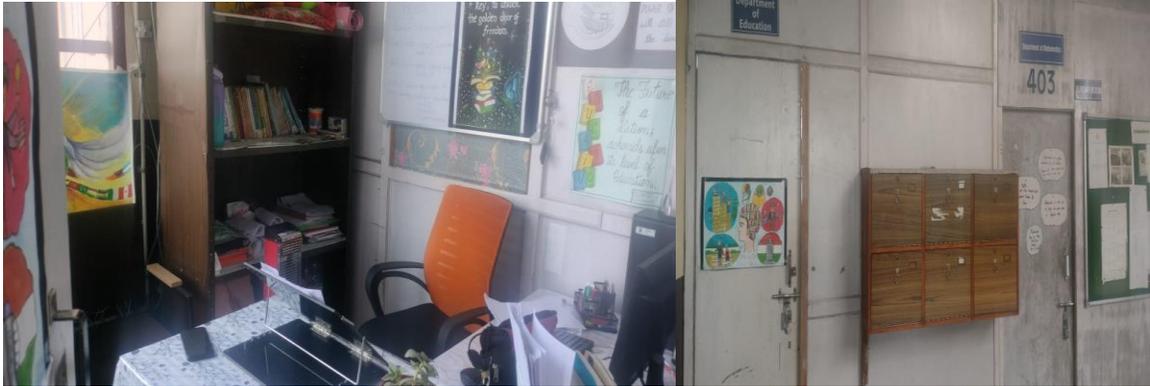

The college canteen is the heart of campus life at RKMV. This vibrant space is where students, faculty, and staff converge, making it a melting pot of diverse cultures, ideas, and tastes. The aroma of freshly cooked food and the buzz of lively conversations make the canteen a unique and cherished part of the college experience.

Staff Room/Faculty Room

S'RKMV, Shimla-1

The college provides well-furnished staff and faculty rooms, offering a comfortable and organized space for teachers to prepare lessons, hold discussions, and collaborate on academic activities. These rooms are equipped with necessary furniture, notice boards, and facilities to support efficient administrative and teaching work.

Space for NCC/NSS

NSS and NCC Rooms

Dedicated NSS and NCC rooms are available on the campus to support the activities of these student organizations. These rooms serve as planning and coordination spaces for social service, leadership training, and community engagement programs, encouraging active participation and skill development among students.

Dispensary for Medical Emergencies:

The college is equipped with a fully functional dispensary that is staffed by qualified medical professionals during working hours. The dispensary is well-stocked with essential medicines, first-aid supplies, and basic medical equipment. In case of medical emergencies, students can quickly receive the necessary care on campus. The dispensary also has provisions for referral to nearby hospitals if further medical intervention is required. Our commitment to health is further reflected in regular health check-ups, vaccination drives, and health awareness programs organised in collaboration with local health authorities.
