

Vision Document(4.1.1)

Rajkiya Kanya Mahavidyalaya (RKMV)

Institutional Motto

सा विद्या या विमुक्तये

(That alone is true education which leads to liberation)

Vision Statement

Rajkiya Kanya Mahavidyalaya envisions becoming a center of excellence in women's higher education by providing inclusive, value-based, and quality learning that promotes intellectual growth, ethical strength, social responsibility, and self-reliance, in the true spirit of **सा विद्या या विमुक्तये**.

Vision Philosophy

The vision of the institution is rooted in the belief that true education liberates individuals from ignorance, inequality, and dependence. The college aspires to nurture women who are intellectually competent, morally upright, socially sensitive, and economically empowered, capable of contributing meaningfully to society and the nation.

Long-Term Vision Goals

- To ensure access to quality higher education for women from diverse and marginalized backgrounds
- To integrate academic excellence with value education and social commitment
- To promote skill development, employability, and entrepreneurship among students
- To foster research, innovation, and critical inquiry
- To develop socially responsible leadership among women
- To create a safe, inclusive, and sustainable learning environment

Vision–Mission Alignment

The vision of Rajkiya Kanya Mahavidyalaya is aligned with its mission to empower women through education that liberates the mind, builds character, and strengthens society, reflecting the timeless ideal of **सा विद्या या विमुक्तये**.

Commitment to Stakeholders

The institution commits itself to:

- Students: holistic development and equal opportunities
- Faculty: academic freedom and professional growth
- Society: service, awareness, and community development
- Nation: contribution through educated, empowered, and responsible women citizens

Institutional Development Plan (IDP) (4.1.2)

Rajkiya Kanya Mahavidyalaya (RKMV)

Institutional Motto

सा विद्या या विमुक्तये

(Meaning: That alone is true education which leads to liberation.)

1. Vision

Rajkiya Kanya Mahavidyalaya envisions providing holistic and inclusive education to women, fostering intellectual growth, moral strength, social responsibility, and self-reliance, in accordance with the spirit of सा विद्या या विमुक्तये, meaning education that liberates individuals from ignorance, dependency, and social constraints.

2. Mission

- To empower women through quality higher education
- To integrate knowledge with values, ethics, and social commitment
- To promote critical thinking, creativity, and leadership among students
- To prepare women for meaningful participation in society and the nation

3. Objectives of the Institutional Development Plan

- To enhance academic excellence and institutional quality
- To ensure skill development and employability of students
- To promote value-based and socially relevant education
- To strengthen infrastructure, governance, and community engagement

4. Key Areas of Development

A. Academic Development

- Adoption of multidisciplinary and outcome-based curriculum
- Strengthening teaching–learning processes through ICT tools
- Promotion of student-centric pedagogies and mentoring
- Encouragement of academic seminars, workshops, and guest lectures

Outcome: Improved academic performance and intellectual empowerment of students

B. Skill Development and Employability

- Introduction of certificate and short-term skill-oriented courses

PRINCIPAL
Rajkiya Kanya Mahavidyalaya
RKMV, Shimoga

- Encouragement of innovation in teaching and administration

Outcome: Efficient institutional functioning and academic leadership

5. Implementation and Monitoring

- Formation of an Institutional Development and Monitoring Committee
- Regular review by IQAC
- Feedback from stakeholders including students and alumni
- Periodic evaluation and documentation of outcomes

6. Conclusion

The Institutional Development Plan of **Rajkiya Kanya Mahavidyalaya (RKMV)**, guided by the motto **सा विद्या या विमुक्तये** (*That alone is true education which leads to liberation*), aims to transform education into a powerful instrument for the intellectual, moral, social, and economic empowerment of women, enabling them to contribute meaningfully to society and the nation.
