6 March 2025

A meeting was held on 6th March under the chairmanship of Dr. Surinder Sharma (DSW) in the DSW room. Dr. Sharma welcomed all participants and outlined the objectives of the meeting.

Review of Action Taken from Previous Meeting

- **Parking for Staff Ground Clearance:** The issue of vehicles parked in the staff ground was raised in the last meeting. Necessary steps were taken, and now the ground has been cleared of all vehicles, ensuring smooth movement and cleanliness in the area.
- **Binding of Road (Main Gate to Campus):** The road from the main gate to the campus was in poor condition, causing inconvenience to staff and students. The repair work has been completed successfully, improving accessibility and safety for all.
- **Separate Space for Staff Members in the Canteen:** Staff members had raised concerns regarding the lack of a dedicated space in the canteen. In response, a separate section has been allocated, providing a more comfortable dining environment for faculty and staff.
- **Creation of a New Conference Hall:** A new conference hall has been successfully established. It is fully equipped with a large screen and modern amenities to facilitate meetings, seminars, and student gatherings. To facilitate meetings, seminars, and student gatherings, a new conference hall is under construction. It will be equipped with a large screen and modern amenities to enhance presentations and discussions. The project is currently in progress.
- **Purchase of New Computers for Computer Lab:** The outdated systems in the computer lab have been replaced with new computers. This upgrade aims to improve the learning experience for students, ensuring they have access to the latest technology and software.
- **Deployment of Guest Lecturers:** Several academic departments had vacancies, affecting the quality of education. To address this, guest lecturers have been hired and deployed in the respective departments, ensuring uninterrupted learning for students.

New Demands by Students:

- **Required Dust Bins for Block-C:** Students have requested the installation of additional dust bins in Block C to maintain cleanliness and promote proper waste disposal. This initiative aims to enhance hygiene standards and encourage responsible waste management among students and staff.
 - **Display Board for Meritorious Students:** To recognize and encourage academic excellence, students have proposed the installation of a display board showcasing the achievements of meritorious students. This initiative will serve as motivation for students to perform better and create a culture of healthy academic competition.
 - **Continuation of Services of Guest Lecturers and Resources:** Students have expressed the need to continue the services of guest lecturers and additional academic resources. These lecturers provide valuable insights, industry exposure, and specialized knowledge that enrich the learning experience. Maintaining their presence will ensure consistency in education and bridge gaps in faculty vacancies.
- Dr. Surinder Sharma thanked everyone for their participation and concluded the meeting.
