Respected Madam,

On behalf of Almighty Blessings, which has been humbly running the Langar service at Indra Gandhi Medical College (IGMC), Shimla, we express our sincere appreciation and heartfelt gratitude to Rajkiya Kanya Mahavidyalaya (RKMV), Shimla, for its consistent and selfless contribution to this noble humanitarian service. This concept started in RKMV in the year 2016 and spread throughout the educational institutions in Shimla.

We are pleased to place on record our deep appreciation for the regular and uninterrupted (except Covid years) support extended since the year 2016, especially the dedicated supply of approximately 500 chapattis every Monday for the Langar service at IGMC Shimla. This sustained contribution has significantly supported the smooth functioning of the Langar and has benefited patients, their attendants, and other needy individuals.

The preparation and supply of chapattis by the students and staff of Rajkiya Kanya Mahavidyalaya, Shimla, reflect a strong commitment to social responsibility, compassion, and service to humanity. The continuity of this service over several years, without interruption, is truly commendable and stands as an inspiring example of institutional values in action.

We pray to the Almighty to bestow blessings upon the entire RKMV fraternity and wish the institution continued success in its academic and social endeavors. We deeply value this long-standing association and gratefully acknowledge the wholehearted cooperation extended by your institution to Almighty Blessings and we are hopeful that this cooperation continues to benefit humanity for times to come.

With warm regards and sincere appreciation.
